

REGULATORS

Oxygen 510 Pressure 0-10 Bar

Provides constant flow of gas at the right pressure.

Product number: 510000

Acetylene 510 Pressure 0-1.5 Bar

Provides constant flow of gas at the right pressure.

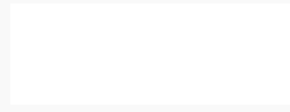

Product number: 510000

Nitrogen 510 N2 Pressure 0-10 Bar

Single stage regulator for nitrogen - reduces inlet pressure from 200bar to any pressure between 0-10bar.

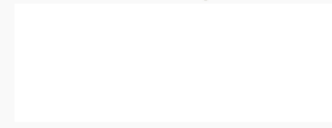

Product number: 510002

Nitrogen 600 Pressure 0-200 Bar

Single stage regulator for nitrogen - reduces inlet pressure from 200bar to any pressure between 0-10 bar.

Product number: 771713

Argon/CO2 510 Flow 0-35L/Min

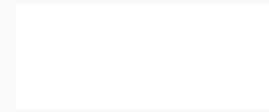

Provides constant flow of gas at the right pressure.

Helium Balloon Fill With Gauge

Easy to fill balloons and minimize waste of helium.

Product number: 624434

Low Pressure Components

Flashback Arrestor OX 8510

The installation of flashback arrestors for acetylene and oxygen, is required by Maritime authorities.

Product number: 682427

Flashback Arrestor AC 8510

The installation of flashback arrestors for acetylene and oxygen, is required by Maritime authorities.

Product number: 585372

AC Low Pressure Connector

Stainless steel tube with pig tail shape.

Product number: 621565

OX Low Pressure Connector

Stainless steel tube with pig tail shape.

Product number: 621573

High Pressure Components

Regulator R-520 AC

Pressure 0-1.5 Bar

Product number: 510020

Regulator R-520 OX

Pressure 0-10 Bar

Product number: 510021

AC High Pressure Connector

Stainless steel tube with pig tail shape.

Product number: 517086

OX High Pressure Connector

Stainless steel tube with pig tail shape.

Product number: 302505

Gas Distribution System

Regulator R-530 OX Pressure 0-10 Bar

Provides constant flow of gas at the right pressure.

Product number: 510031

Regulator R-530 AC Pressure 0-1.5 Bar

Provides constant flow of gas at the right pressure.

Product number: 510030

Flashback Arrestor S-55 OX

Single stage regulator for nitrogen - reduces inlet pressure from 200bar to any pressure between 0-10bar.

Product number: 708545

Flashback Arrestor S-55 AC

Single stage regulator for nitrogen - reduces inlet pressure from 200bar to any pressure between 0-10 bar.

Product number: 708537

Gas Outlet Station

Secures the highest degree of safety together with ease of operation.

Product number: 778199

STRETCH RELIEF BRACKET FOR OUTLET STATION

Product number: 235010

HIGH PRESS.HOSE OX 1 MTR AND CABLE W/
ELBOW

Product number: 305292

HIGH PRESS. HOSE AC 1 MTR AND CABLE W/
ELBOW

Product number: 520403

CLOSING VALVE AC W/BRACKET

Product number: 520395

CLOSING VALVE OX W/ BRACKET

Product number: 302992

T-VALVE AC W/NON RETURN VALVE AND
BRACKET

Product number: 520379

T-VALVE AC W/NON RETURN VALVE AND
BRACKET

Product number: 520379

Arc Welding Cables & Connectors

Cables With Safety Cable Connectors

Welding Cable With Safety Cable Connectors

This welding cable is wear, flame and oil insulated on a polychloroprene rubber base.

35mm² - 10mtr - product code 175794

35mm² - 20mtr - product code 175786

35mm² - 50mtr - product code 175778

50mm² - 10mtr - product code 175828

50mm² - 20mtr - product code 175810

50mm² - 50mtr - product code 175802

70mm² - 50mtr - product code 183665

Cable Connectors & Equipment

Male - Female

Cable Connector

Complete male-female cable connector for single phase welding machine.

DIX-25 Product number: 632885

DIX-70 Product number: 632893

Male-Female Cable Connector Safety Complete for 35-70mm

Product number: 513044

Other

Conversion Assembly with Safety Dix 70 Male

Product number: 634121

Adaptor Plug Dix Female70-Male25 (2 Pcs)

Product number: 633073

Cable Drum with Crank

Product number: 175729

Arc Stick Electrode Accessories

Earthing Clamp

400A - product number 653899

600A - product number 653907

Return Clamp Assembly 200A

200A return clamp assembly

DIX-25 - product number 633164

DIX-70 - product number 633172

Return Clamp Assembly 400A with Safety

A 400A return clamp assembly with safety connectors built-in extension cables.

Product number 633180

Return Clamp Assembly 400A with DIX70

Strong grip that permits attachment to any work piece.

Provides a large contact area with less overheating

Product number 594317

Safety Electrode Holders:

Safety Electrode Holder 200A

DIX-25 - product number 633164

DIX-70 - product number 627885

Safety Electrode Holder Twisty

200A - product number 552497

400A - product number 513051

Safety Electrode Holder 400A with DIX70 Connector

Fully insulated electrode holder with the lever screw locking mechanism design.
Strong and simple construction.

Product number 594325

Safety Electrode Holder Air Carbon ARC Torch 600A

This torch can be used for air carbon arc gouging.

Product number 528703

Safety Electrode Holder 400A with Connector

Product number 522680

Arc Welding & Cutting Machines

150A-1 Phase Welding Inverter in Case

Welding machine, compact and portable for shipboard welding.

Product number: 150150

500A-3 Phase Welding Inverter

A powerful 500A welding inverter for any type of arc welding and gouging processes on board.

Product number: 500500

220A-1 Phase AC/DC Welding Inverter

Specially designed welding inverter for aluminium TIG AC/DC welding.

Product number: 230231

200A-3 Phase Welding Inverter

Compact 200A range welding machine - comes with stick electrode welding accessories for shipboard welding.

Product number: 203203

Plasma Cutter 12mm Cutting Range

All electrically conductive steels up to a maximum thickness of 12mm can be ideally cut by this Plasma Cutter.

320A-3 Phase Welding Inverter

A compact but powerful 320A range welding machine for any type of welding on board.

Product number: 320320

Gas Welding Cutting Equipment

Cutting Torch Handle

UCT-500 combination torch with non-return valves and hose sockets for 6mm hoses.

Product number: 174656

Roller Guide Standard

Product number: 174672

Cleaning Needles Set

Product number: 175356

Spanner

Product number: 174649

Unicase X21 - Complete Set in Plastic Case

Product number: 500001

Flashback Arrestor & Check Valve FR 20 OX & AC For X21

Product number: 619270

Cutting Nozzle

- 3-10mm - product number 174698
- 10-25mm - product number 174706
- 25-50mm - product number 174714
- 50-100mm - product number 174722
